

Creating a PARCC-like Writing Task

Come learn the elements of the PARCC writing tasks, so the writing tasks will seem familiar to your students. Help all students figure out what is in a PARCC writing task so they can respond. Learn how to use the reading texts your students already read and pair them with a writing prompt that looks like a PARCC writing task.

Wednesday, March 21, 2018
Adams County Health Department
330 Vermont Street
Quincy, IL

8:30 AM Registration
9:00 AM-12:00 PM Training
Light Breakfast Provided

Please bring a wifi device, laptop or tablet, to access online resources.

Please bring reading resources used in your classroom for literature or for content areas.

Target Audience:

Teachers and Administrators K-8

The focus of this workshop will be the following:

- Learn the elements of a PARCC writing task and how to create one
- Learn resources to find the elements required in the prompts
- Create at least one PARCC-like task using resources used in your classroom supported by the resources given in the session
- Have a collection of resources to take back to your district in order to create PARCC-like writing tasks in district teams
- K-2 teachers will also create a task suitable for their grade level

3 Professional Clock Hours
